1 Read. Then colour.

Dear Aunt Emma,

Thank you for my birthday present. It's fantastic! I've got two boats now - a blue boat from you and a red boat from my friend Tina! I can play with my boats on the river!

I've got a green bike from Mum and Dad and six small dolls from Granny and Grandad. And I've got a teddy bear from my sister Rachel. Birthdays are great!

Thankyou!
