An adventure camp programme

1

1 Have you been on an adventure camp? Write.

2 Read. Would you like to go on this adventure camp?

Today is Monday. Welcome to the adventure camp!

First, go through the front gate and wait by the white tent on your left. Angie, the camp helper, is waiting there. She will show you where you can pitch your tents.

Pitch your tents – we've got more tent pegs if you need them. Then, lay out your sleeping bags. When your tents are up, meet me at the white tent. We're going on a walk around the campsite.

We have most of our meals in the dining tent. It's the big green tent in the middle of the campsite. You can see it easily. When we go hiking or fishing, we have a packed lunch. Sometimes, we have a campfire. We can cook potatoes and fish on the fire. It's good fun!

Adventure Camp!

Remember to bring these things:

- tent
- sleeping bag
- pegs
- compass
- rucksack
- torch

Please send in information about yourself by 20th May.
See you there!

Tomorrow we're going hiking. Bring your compasses. I hope you can read them! The activity is in the forest near the campsite. We're hiking through the forest to a small lake. Then we're fishing in the lake. I hope you are good at fishing – we're catching our dinner!

On Wednesday morning we're going swimming. You can swim in the lake but you can't swim in the river. In the afternoon we're going sailing on the lake.

On Thursday you can pack your rucksacks and take down the tents. We're going on a walk near the campsite before you go home.
