Well, maybe, but if you ask me, I prefer rap. Rap songs are cool!

What do you think of fantasy books?

Hmm, I don't think much of them. I like reading books, but fantasy books are not my favourite.

Why not? What's the problem with them? I think they are amazing! Don't you like monsters or dragons?

Well, no, I don't. I think monsters and dragons are too far. I prefer books that are happening here and now.
